Flight Information

The accuracy and currency of information contained in this guide is uncertain due to the difficulty in obtaining the information and the rapidly changing environment. Aviators should always check with a country's aviation authority or a local aviation handler to determine any specific aircraft airworthiness/equipment and crew/passenger entry requirements.

Airports of Entry

LUBL	BALTI
LUBM	MARCULESTI
LUCH	CAHUL
LUKK	CHISINAU

Entry/Exit Requirements

Entry and exit requirements are for aircraft departing the United States non-stop to country of destination. These requirements do not include any technical stops. Please refer to **Technical Stop** section in **Additional Flight Information** for the country at which the technical stop will be made.

Entry and Exit documentation forms vary from country to country. In general, however, ICAO member countries will accept the following standard ICAO Annex 9 Entry/Exit documents:

- General Declaration
- Passenger Manifest
- Cargo Manifest
- Embarkation/Disembarkation Card
- Certificate of Residual Disinsection

Examples of these documents can be found at *IFIM Home>General Information>International Flying Overview> ICAO Annex 9 Entry/Exit Documents*. The acceptance of these ICAO documents must be confirmed by the appropriate AIS.

Entry Requirements (Departing the U.S.)

- File an [eAPIS](#) manifest outbound (recommend inbound at this time, too)
- File and activate international flight plan
- Land at a designated airport of entry (AOE) – customs and immigration

The following entry documents are required:

Passengers –

- Valid passport
- Legal or personal invitation from Moldova citizen
- [Visa](#) - not required for U.S. citizens for stay up to 90 days
- Vaccination certificates that WHO publishes

Pilots – Same as passengers

Note: Other pilot/crewmember requirements may be applicable in lieu of those stated. Contact appropriate AIS for further clarification prior to flight.

Aircraft –

- General Declaration – 1 for Customs, 1 for Border patrol, 1 for Ground Handling Agent
- Passenger Manifest – 1 for Customs
- Cargo Manifest - 1 for Border patrol, 1 for Ground Handling Agent

Exit Requirements (Departing Moldova)

- Depart from an AOE
- File [eAPIS](#) manifest if inbound to the U.S.
- File an international flight plan
- Call U.S. Customs at filed U.S. airport of entry

Additional Flight Information

The request for the airport slot shall be prior to the filling of the flight plan, which must include the EOBT based on the above mentioned authorized airport slot.

Aircraft Instruments and Equipment

U.S. aircraft airworthiness and certification requirements may not meet other countries requirements. It is the responsibility of the pilot to determine if the aircraft meet those requirements.

The items listed below are for pilots' reference to determine if the aircraft meets minimum instrument and equipment requirements of the destination country. Additional equipment may be required to comply with the airspace navigation requirements.

- ➔ 8.33 KHZ channel spacing capable radio equipment requirement for flight above FL245 and above FL195 in UIR France
- ➔ RNAV meeting RNP 5(B-RNAV)
- ➔ FM-immune receivers complying with ICAO Annex 10

Commercial air transport aircraft operating in the Republic of Moldova must adhere to the provisions of ICAO Annex 6 — Operation of Aircraft, Part I — International Commercial Air Transport — Airplanes, Chapter 6 (Airplane Instruments, Equipment and Flight Documents) and Chapter 7 (Airplane Communication and Navigation Equipment).

ICAO Documents can be purchased from ICAO at: <http://store1.icao.int/>

[Domestic and International RVSM](#) guidance is provided on the IFIM Home Page. Click on the **Air Traffic** tab and select **Separation Standards** from the drop down list.

Technical Stop / Overflight

Prior authorization is not obligatory for private flights operated by aircraft, registered in States, which are parties to the Chicago Convention, overflying the territory of the Republic of Moldova or making technical (non-traffic) stops on the territory of the Republic of Moldova.

The flight plan submitted to the authorized ATS unit of the Republic of Moldova, six hours prior to departure, accepted as an adequate notification for private flights performed by aircraft, registered in States, which are parties to the Chicago Convention, overflying the territory of the Republic of Moldova or making technical landings on the territory of the Republic of Moldova.

Non-scheduled Flights (Charters)

The application for *requesting permission* of a non-scheduled flight must be submitted in written form to the Civil Aviation Administration (CAA) and the authorized ATS unit not later than 48 hours (two full working days) before the estimated time of flight.

For the execution of a series of flights landing on the territory of the Republic of Moldova, the application must be filed with the CAA at least 10 days prior to the scheduled date of the first flight.

Applications for such authorizations shall be submitted within the period specified in such agreements to:
